Apartment Residents

Please remember to alert the administration office if you are going to be away for an extended period of time. Please also check in and alert the office of your return. In case of an emergency situation we need to know who is in the building and who is not. Thank you for your co-operation.

We have had several concerns brought forward by residents and families regarding the health of some of the trees on our property. This fall, we will have a tree removal company complete a survey of the grounds. Trees that are dying, or are already dead will be removed and replaced, either with another tree or smaller shrub or bush. We thank you for your concerns and please continue to bring them to the administration office.

On August 16, we will be cooking the corn on the cob with the antique steam engine from the Stratford Perth Museum. The engine will be in the Greenwood front entrance area beginning approximately 10:30. Anyone interested come out and see!

The apartment council is seeking a resident from 4th floor to sit on the council as floor representative. If you are interested or would like more information please speak with Leanne.

Apartment Residents

Just a reminder to let the administration office know if you are having overnight visitors who have a vehicle. This allows for easier monitoring of the parking lot areas. Thank you for your co-operation.
