

UPDATE: October 01, 2021- LTC Vaccination Policy Update

Please review the attached Associate Deputy Minister memo regarding updates to the *Minister's Directive on Long-Term Care Home COVID-19 Immunization Policy* to require COVID-19 vaccination for all staff, support workers, students and volunteers in long-term care homes, unless they have a valid medical exemption. Additionally, the memo also communicates an update to the *Minister's Directive on Long-Term Care Home Surveillance Testing and Access to Homes* to require randomized testing of fully immunized individuals. We have included the updated Minister's Directives, Immunization Policy Resource Guide, MLTC COVID-19 Guidance Document, and Pandemic Response FAQs. The updated Minister's Directives and Guidance Document will also be available online as soon as possible.
